

## Why should YOU be a ROTARIAN?

You wish to volunteer your time to community service projects locally and affect others around the world. To build a network of business and professional relationships

founded on high ethical standards. To meet humanitarian needs through International goodwill, understanding and peace. To respect the dignity of others through service projects and exchange programs. To enjoy the fellowship of others at parties, gatherings and fundraisers, all for charitable causes which you and your family are encouraged to attend.

**The Rotarian's 4-Way Test,  
Of the things we say, or do:**

**..Is it the TRUTH?**

**..Is it FAIR to all concerned?**

**..Will it build GOODWILL  
and BETTER  
FRIENDSHIPS?**

**..Will it be BENEFICIAL to  
all concerned?**

### Why Join Rotary?

Rotarians are business and professional leaders who take an active role in their communities while greatly enriching their personal and professional lives. A Rotary club contains a diverse group of professional leaders from the community that the club serves.

Membership in a Rotary club offers a number of benefits, including:

- Effecting change within the community.
- Developing leadership skills.
- Gaining an understanding of — and having an impact on — international humanitarian issues.
- Developing relationships with community and business leaders.

Through Rotary's service programs, a Rotary club can have a significant effect on the quality of life in its community. Programs of The Rotary Foundation offer opportunities to form international partnerships that help people in need worldwide.

Attendance at meetings is essential to the success of Rotary, and features a speaker or an activity that focuses on the Rotary Avenues of Service: Club, Community, Vocational and International.
